Dear Alice,

It's now September and that means SADS Safe Schools Month has begun! Our goal is to spread the word in all 50 states. To do this, we need your help!

Distribute materials in your State!

The simplest way you can help with SADS Safe Schools Month is to distribute materials in your state.

Help distribute materials by:

- Delivering packets to School Nurses, Teachers, Principals, and Coaches.
- Hanging posters in schools or any other community buildings.
- Delivering brochures to schools, PTA meetings, or any other gathering at the schools.

We have all these materials ready to be mailed to you! To request these materials you can: reply to this e-mail, or click this link to submit a [Materials Request](#).

Do your children have Care Plans for school and does your school(s) have a medical emergency plan (with an AED program)?

If not, download the SADS Safe Schools check list (also care plans and sample medical emergency plans) and take to your school.

If not, download the SADS Safe Schools check list (also care plans and sample medical emergency plans) and take to your school

To see the School Checklist and other SADS Safe Schools materials, [click here](#).

E.mail [Adrienne](#) to let her know if your child has a care plan in place and to share your story about SADS Safe Schools.

If you are having problems getting cooperation from your school, please call Joanne Robinson at 800-786-7723 or e-mail her at: Joanne@sads.org.
