How to Create a Fundraising Team

To create a fundraising page, click the **become a fundraiser** on the page.

**Choose to create a team**

Choose to **Create a team** when the option appears.

**Fill out the signup forms**

Create an account using the signup forms.
Join your team
After you create an account, you’ll see your team fundraising page. The last step is to set up an individual fundraising page to become the first member of your team. Click the Join Team button to do so.

Fill out the form for creating your individual fundraising page.

Next steps
From here, you can start inviting others to join your team. As a friendly reminder, be sure to communicate with your other team members to reach your goals—happy fundraising!
