25th Anniversary Celebration
1992-2017

Take Steps To Stop SADS

Make Your Steps Count!

We encourage you to spread awareness and to raise funds in support of your commitment to Take Steps to Stop SADS. Reach out to all of your family, friends, neighbors, and colleagues and ask them to contribute to your walk to make your steps count to stop SADS.

You may use our event website at crowdrise.com/take-steps-to-stop-sads to set up your personal fundraising page for friends and family to donate to the SADS Foundation as one of your supporters or use print materials that you may download from the SADS Foundation or receive in the mail. The funds you raise at your Take Steps to Stop SADS event will help us to expand our important as we begin our next 25 years including our four cornerstone programs:

- Prevention & Awareness
- Patient & Family Support
- Medical Education
- Research & Advocacy

The SADS Foundation is a 501 (c) 3 nonprofit organization.

Why?

Each year, 4,000 young lives are lost to SADS conditions, but these deaths can be prevented. With a proper diagnosis and appropriate treatment, individuals with SADS conditions can LIVE, LOVE, and THRIVE! Join the following volunteers in helping us to stop the preventable deaths of those we love.

"The whole team at the SADS Foundation has made volunteers feel like part of the family, and given us a chance to help make a difference in a fight that is so close to our hearts." - Melissa

"The SADS Foundation has been an integral part of my healing from the unexpected loss of my husband and the care of my daughter. They are extremely dedicated to the individuals and families they support, and their passion for their cause, saving lives and supporting survivors is boundless. We appreciate everything they have done for our family, and they have inspired us to work hard for the cause and community as well." - Shannon
