Awareness 2010 Campaign

Keeping Hearts Beating

We are so excited to announce our new awareness campaign beginning right now! Raising awareness of SADS conditions is a main priority at the SADS Foundation so we have designed a campaign to last the entire year.

We've divided the year into four quarters, each with a specific focus. This allows us to tailor our efforts and reach out to a variety of populations more effectively. Each quarter will feature a brand new poster and other materials.

The focus for this quarter is: **Community Places!**

Visit our website to see the [brand new poster](#) and read about the [campaign](#).

Become a SADS awareness volunteer and help spread the word in your community! Contact Adrienne at Adrienne@sads.org or call 1-800-STOP-SAD (800-786-7723) to get involved today.

Sincerely,

Adrienne Butterwick
