Brittany's Trees

Dear Alice,

We want you to know what is happening right now in Carol Stream, Illinois! It is an annual tradition of the family and friends of Brittany Valene to display lighted Christmas trees to celebrate the holiday and raise awareness and funds for the SADS Foundation.

Brittany was a 3rd grade student at Heritage Lakes who died in February 2005 from Long QT Syndrome.

Join this tradition of celebrating the holidays and honoring the memory of Brittany Valene and make a contribution today. Phone (630) 933-8210 Email info@brittanys-trees.com

Brittany's Trees

Last year, Brittany's Trees lined the streets of our community shining brightly among 296 families. Our goal is to have the entire community united and to have Brittany shining bright in all of our hearts. This year we're hoping to set-up and deliver over 500

Christmas trees. If you have driven through our neighborhood between Thanksgiving and Christmas you've seen the streets lined with glowing Christmas trees. Brittany's family and friends would be grateful if you would open your hearts and catch the spirit.

A minimum donation of \$35 will provide you with a tree stand/pole, 3 sets of white lights and a real 6ft. Scotch Pine Tree. In memory of our neighbor Brittany Valene, the proceeds and additional contributions will go to the SADS Foundation.

Donation amount \$35 (or more)

***Deadline extended until 11/26* Order today!**
