Donate up to once per day (3pm-3pm Eastern Time) **2) Take the SADS Foundation's AED survey!** 3) **Contact your senator or congressman** to encourage them to **pass meaningful healthcare reform**

More on America's Giving Challenge

Take the Challenge - Help Us Win \$50,000! As a friend and supporter, we know you share our passion for our cause. America's Giving Challenge, presented by the Case Foundation, Causes on Facebook and PARADE Publications, is your chance to help us win awards up to \$50,000. You can play a part in bringing about real and lasting change for something we both care deeply about. Here's how it works: from October 7th to November 6th, Challenge participants will compete for cash awards based on the number of donations made to their cause, not dollars raised. Please visit our cause on Facebook, and get involved now by leveraging your networks to help us recruit supporters and donations!

Take this AED Survey

The SADS Foundation wants to know how, when and if you have used your AED. This will help us as we continue to support families and save lives. Help us learn more about your AED usage.

Pass Meaningful Healthcare Reform today!

As you read this, we're joining with other national organizations to launch a massive Day of Action to make sure Congress passes meaningful health care reform by the end of the year. Our goal: Get 200,000 calls made to Congress TODAY to urge that meaningful health care reform gets passed this year. Will you make your call right now?
