Special thanks to our Presenting Sponsor: PGx Health

Dear Alice,

**The SADS Foundation wants to take a moment to offer special thanks to our 2009 Climb Leader, Rich Bennett & to make exciting 2010 announcement!**

As some of you may be aware, after three awesome years leading the Climb to Conquer SADS, Rich Bennett will be moving on. We want to thank Rich from the bottom of our hearts for doing such a great job-- we couldn't have done it without him! Especially this year, his efforts meant more than we can say. The fact that we got so many of the climbers on the summit, everyone got down the mountain safely, and the fundraising actually went well despite the bad economy, I think we can all say THANK YOU, RICH, FOR A JOB WELL DONE!!!

Although we are sorry to see Rich step down, we are thrilled to announce our 2010 Climb leader; Brian Hoots. Brian is willing to take up the torch, and try to fill the very big boots that Rich has filled with talent and grace these past 3 years. Brian is committing to lead Climb to Conquer SADS 2010! Brian is a skilled and experienced climber, a great leader, and a wonderful person. As a computer networking professional who has done a lot of work in medical information technology, Brian has some experience working with medical professionals. Moreover, Brian has been an enthusiastic volunteer for many years working with diabetes camps. And last but not least, Brian has been a dedicated climber in our climb all three years!

Thank you again, Rich, for your dedication and support. You have inspired greatness in us all.
