Local Network Groups:

We have had many inquiries about local network groups and some individuals have offered to be Local Network Coordinators, or Telephone Support Contacts. These individuals will have their phone numbers and email addresses on the website. We encourage Local Network Groups to have two leaders. If you would be interested in volunteering for either of these positions, we strongly encourage you to come to this meeting, it’s an excellent way to gather ideas to support those in your areas! Click here to see a description of these positions.

These groups only meet as often as participants want. It is often a good idea to plan to meet two or three times a year. You can plan shorter versions of the above meeting, or find other topics or activities of interest to the group.

We look forward to meeting with you and providing a forum for you to support and learn from each other!

Take care,

Alice Lara
